## 1 General

This standard refers to Check Point Lighting for Saudi Aramco's vital industrial facilities per [SAES-O-100](#), paragraph 1.3. This Standard shall be used in conjunction with Safety and Security Directive No. 14 (SSD/14) of the Saudi Arabian Government Supreme Commission for Industrial Security.

## 2 Amendments

Safety and Security Directive No. 14 has not been amended by the Supreme Commission for Industrial Security.

## 3 Commentary

3.1 It is generally understood that SSD/14 applies to lighting requirements for security gate houses located at vital industrial facilities. The proponent should liaise with the General Manager of Industrial Security Operations for other applications of SSD/14.
